

## **Club Matters: welcome back to club and hello to new members joining us.**

### **Session Registration**

It is absolutely vital that gymnasts sign IN and OUT of each trampolining session they attend. This is to ensure that there is an accurate record of gymnasts on site at all times. In the event of an evacuation from the building, such information can be lifesaving. Please, therefore, allow adequate time to sign in at the start of each session, and remember also to sign yourself out when leaving the session.

Parents/guardians - if your child will be leaving at the end of the session unaccompanied by an adult, please ensure that a member of DTC staff is made aware of this arrangement.

### **Course Fees**

Recreation session fees have been increased to £6.00 per session. This is the first increase in two years. The club is a 'not for profit organisation' and any profit made is put back into the club to fund essential repairs and equipment.

### **Payment for Course Fees**

Our flexible payment enabling you to spread the cost of the full termly fees over the first 6 weeks will change to, two equal payments to be made before half term. This will help ease the strain on reception.

### **British Gymnastics Membership / Insurance**

Every gymnast that attends DTC sessions must be a current member of British Gymnastics. To join or renew from September 2019 please visit [www.british-gymnastics.org](http://www.british-gymnastics.org).

If you have renewed your membership with a gymnastics club then please add Dartford Trampoline Club to your membership portal as your secondary club. We will not be able to access your emergency information without being added to your account.

Be aware when joining that there is a Dartford Gymnastics Club. A few of our members joined them in error last year. We are Dartford Trampoline Club and our venue is Dartford Grammar School for Girls, Shepherds Lane, Dartford, DA1 2NT.

British Gymnastics membership is due on 1<sup>st</sup> October 2019 and runs through to 30<sup>th</sup> September 2020

## **Welfare and safety**

The sports hall floor is very hard and very slippery which is not helped by the school rule of no street shoes to be worn inside. It is essential that all spectators and especially those who bring very young siblings into the sports hall keep them under strict control. Please do not bring balls for them to play with or other toys that cause them to run around.

Our code of conduct for Gymnasts and Parents is posted on our club notice board.

Our coaches are only available to speak with parents after the session has finished unless it is an emergency.
